

## PRESS RELEASE

### **THREE & PARTNERS: AN INNOVATIVE BOUTIQUE IN THE ITALIAN ACCOUNTING TAX & LEGAL SCENE**

*Roberto Maria Cagnazzo and Paolo Motto have combined their resources and their long experience in tax, corporate, legal and business consulting to found Three & Partners, a boutique with its heart and roots in Turin and the North West of Italy, but with a clear European identity and a strong international vocation.*

**Turin, 19.01.2021** - From now on there is a new entry in the world of Italian Accounting Tax & Legal: Roberto M. Cagnazzo and Paolo Motto have joined their forces and their experience in the tax, corporate, legal and business fields to found Three & Partners ([www.threeandpartners.com](http://www.threeandpartners.com)), an Accounting Tax & Legal boutique based in Turin and deep-rooted in the North West of Italy but with a clear European identity and a strong international vocation. Three & Partners aims to put its national and international clients at the center of its professional project and to constantly support them through every need, program or challenge they wish to undertake in Italy or abroad.

Clients will be assisted by a team of highly qualified professionals, constantly updated and able to understand the peculiarities of their needs in order to share personalized, effective and high quality solutions on a wide range of services, ranging from the most traditional to the most specialized, digital and innovative.

As a member of the GGI - Global Alliance ([www.ggi.com](http://www.ggi.com)), Three & Partners will be able to offer the best possible advice and assistance in solving any tax, corporate, legal and business related issues on a national, European or global scale in more than 126 different countries.

*"This new venture launches us into an exciting new challenge that will allow us to pool our experience and that of our respective teams with the ethics, quality, variety and innovation of the services offered to our Italian and international clients, aiming at becoming a reference point in the world of Accounting Tax & Legal in our territory and throughout Italy"* commented the two Founders and Partners Roberto M. Cagnazzo and Paolo Motto.
